

Grange Prestonfield Community Council

Priority Parking for Local Residents

Public Meeting

Monday 15th Nov - 6.30pm

Royal Blind School, Craigmillar Park

Dear Resident,

In response to requests from local residents, the Council has drawn up plans for Resident Priority Parking in this area. Grange Prestonfield Community Council (GPCC) and the City Council have arranged a public consultation meeting for you to find out more about these plans and comment on them.

If you wish to look at the plans in advance of the meeting they are available for viewing at Newington Library or via the Council website (www.edinburgh.gov.uk). The local area for the purposes of this meeting is the area to the east of Mayfield Road across to Dalkeith Road and south of the existing Controlled Parking Zone to the South Suburban Railway.

In summary, the plans propose that a proportion of the on-street parking will be designated for local residents for 1 to 2 hours during the day. This would have the effect of ensuring that these spaces were denied to commuters and long term parking by non-residents. It is expected that this arrangement will make it easier for residents (and your visitors) to find on-street parking during the working day. The cost to residents who choose to purchase a permit would be £30 per year. If you decide not to purchase a permit you would still have access to approximately 30% of the on-street parking during the restricted period.

There will also be information available on the Council's proposals for a 20mph speed limit in the area and a cycle corridor from Kings Buildings to George Square, via Mayfield Road. Details on both are also available on the Council website (address as above). I hope you will be able to attend the meeting as these proposals are likely to affect you in some way and it will help the GPCC and the Council to form a view of local opinions.

Kind regards

Tony Harris (acting Chairman) chair@grangeprestonfieldcc.org.uk
