

NEWINGTON CEMETERY
222b Dalkeith Road, Edinburgh, EH16 5DT
Snowdrop Discovery Walk
Sunday February 26th, 1.00 - 3.30 pm

Early Spring is a great time to explore the many snowdrops in the 14 acre Newington Cemetery, and also discover the other spring flowers that flourish here. We invite all those who live nearby to come and see for themselves.

Volunteers will be at the gates of the cemetery on 26 February between 1.00 pm and 3.30 pm to help you find the best places and enjoy the peace and beauty of this "garden cemetery". They can also tell you more about their work in Newington Cemetery clearing some of the overgrown areas.

The Friends of Newington Cemetery was set up by Grange Prestonfield Community Council in 2013 to work with the City of Edinburgh Council to restore Newington Cemetery to its former glory.
